SUMMARY SHEET

I. Description of Item:

RESOLUTION TO APPROVE AN AGREEMENT TO RECOUP THE COST OF PROVIDING IMPROVEMENTS, FACILITIES AND SERVICE TO SHIELD, INC, a Tennessee not-for-profit corporation, **AS REQUIRED BY APPLICABLE TAX EXEMPTION STATUTE, Tenn. Code Ann. 67-5-207, et seq.**

II. Source and Amount of Funding:

Recoupment of costs Agreement will reimburse Shelby County for cost of providing improvements, facilities and services to the Housing development concurrent with State Board of Equalization approval of tax exempt status in consideration of the not for profit applicant providing permanent housing to low income elderly and handicap residents.

III. Contract Items

- A. This Recoupment of Costs Agreement is in lieu of Taxes pursuant to statutory authority to develop and provide housing under federal HUD Programs and Federal Housing Grants. Statute requires that the exempt entity make agreements with both any city or county that project is situated in; here applies to City of Memphis, applicant and Shelby County.
- B. The tax exemption must be approved by the State Board of Equalization, and the amount of the agreement to be recouped must be determined per statutory guidelines and authority. Costs can be more than actual cost of providing improvements, facilities, and services to the housing project.

IV. Additional Information Relevant to approval of this item

The City of Memphis delegated its authority to enter into these agreements to the City's HEHFB by Item 57, Resolution on December 4, 2007. The City further "authorized the methodology to be used by the Corporation to determine the amount for provision of essential public service, which pursuant to the Act is to be used to establish the valuation assessment," including 25% of the amount of the ad valorem taxes that would have been due.

Shelby County's has split \$5 per unit between city/county since at least 1991 per the confirmation of policy sent to Marty Regan by County Atty's Office on July 1991. The 25% calculation is used by Davidson County for these projects, and would be a new calculation for Shelby County. The difference increases the County share of costs from \$3,000 to \$20,300.
